School Song

*Hail to thee Dear Meadow High School,
With your black and gold,
We, the students truly love thee,
Just as you've been told.*

*Lift the chorus, speed it onward,
Honor and obey,
Hail to thee Dear Meadow High School,
Each and everyday.*

"Low on its ups and downs"

"See, we told you"

Just being . . .

"Well, Mr. Telesbell, are you going to give us a 999?"

. . . themselves

"Up the steps of success"

"There are few the HEROES"

We Proudly

Mr. George Beasley

Behind every successful movement there is a force of power. In typing, it's the stroke of the finger, in the generation of electricity, it's water and in the school it's the principal. Our principal has become a forceful part in the operation of Meadow School. No one knows the number of problems he hears each day, or the number of steps he makes to keep the school functioning. In the bustle of the year's activities we sometimes forget the planner, and thinker that keeps things in motion. Each class, each assembly, each bellgame, each trip, each prom and each activity is a part of the planning of our principal.

To you, Mr. Beasley, we dedicate the 1969 TUSCARORA in appreciation for the years at Meadow and the preparation for our lives to come.

In Memoriam

SAMMY DALE MORGAN

May 29, 1953

July 5, 1968

Many times we look back on our lives and see many grievances. Sammy Morgan's death did truly grieve each one of us. He was a very nice and friendly person that everyone liked. Each day, we see things at school, and away from school, that remind us of our tragic loss of a personal and close friend.

Dedicate

Mrs. Elizabeth Johnson

A teacher is many things. She is an instructor in subject matter, she is a co-ordinator in student affairs, and she is a friend to the student. The teacher must also take on many extra-curricular activities that become a part of the school program. The teacher to whom we pay tribute is a performer of all of these jobs plus much more. To Mrs. Elizabeth Johnson, we say thank you for the many lessons in shorthand, the untiring hours spent in the production of this annual, and for the genuine friendship you have shared with us. Meadow School without Mrs. E. Johnson would be lacking much.

Mr. George Beasley

Dear Students and Faculty Members:

May I take this opportunity to thank each of you for your splendid co-operation during the past several years. Any success our school may have enjoyed, any improvements that may have been made, or any new innovations that were instituted could not have come about had we not had the utmost in cooperation from our students and faculty members.

The 1968-69 school year will be looked upon with mixed emotions by most of us, since it is the last year for our High School here at Meadow. Naturally, we are saddened by the loss of Meadow High School. On the other hand, when we think of the many advantages our students and teachers will enjoy at South Johnston, our emotions quickly give way to reasoning and our thoughts become happy thoughts.

In conclusion, may I suggest that you carry the spirit and tradition of Meadow forward to South Johnston. There you will want to work collectively with boys and girls from Benson, Cleveland, and Four Oaks with the idea of making South Johnston an institution whose educational environment is unsurpassed in Eastern North Carolina.

My best wishes to each of you.

Sincerely,

George G. Beasley
